A $67,320 grant has been received from the Department of Education to continue with the College's Bilingual Teacher Corps project for the 1977-78 academic year.

This marks the third year in a row that the College has received such a grant. Last year's allotment totaled $56,100. Ernest Garcia, Professor of Education, is director of the Bilingual Bicultural Teacher Training Program, which allows teacher aides to finish work on their credential or bachelor degrees. Many of the aides are hired as teachers by their own school district after completing their college work.

A career program for currently employed bilingual aides in certain school districts with which the College has entered into agreement, it provides a stipend to assist them in attending college to obtain their credential while teacher aides.

The funds received this year are to cover costs for 36 full-time-equivalent teacher aides, many of whom will continue on from last year's program.

Last day of classes and final exams will be held next Friday, August 19, for the 3-week August Post Session.

Grades are due from faculty on Monday, August 22.

The Library will be closed 12 days in two six-day periods the latter part of August and first part of September to allow completion of the installation of an electronic book security system.

Installation of the system includes processing all Library materials so that if not properly charged out, a warning signal will be set off.

The Library will be closed on the following days:

- Monday, August 22 through Monday, August 29
- Thursday, September 1 through Friday, September 9

However, Library patrons should note that the Library will be open until August 19, August 30-31, and September 12 through 28 from 8 a.m. to 5 p.m., Monday through Friday.

The new electronic system should be fully operational by the start of the Fall Quarter.

ART DEPARTMENT TO HAVE ACTING CHAIRMAN

Leo G. Doyle, Assoc. Prof., Art has been appointed to serve as Acting Chairman of the Department of Art during the 1977-78 academic year.

Mr. Doyle will head the department during the absence of Roger Lintault, who has been granted a leave of absence for the year to work on various sculpture and art projects, one of which he terms a series of "architectural situations" and another which involves incorporating sound in sculpture or in some kind of environmental situation, as well as other work on sculpture.

The Art Department will be almost exclusively located in the Fine Arts Building. Centralization of the department's personnel was made possible with the move of the Music and Theatre Arts departments to the Creative Arts Building.

NEW TITLES FOR DRAMA AND SOCIAL SCIENCES

A change in titles has been officially designated by the Academic Council for the Drama Department and the School of Social Sciences. Effective with the 1977-78 academic year, the correct nomenclature will be Theatre Arts Department and School of Social and Behavioral Sciences, respectively.

According to Ronald Barnes, Prof. and Chairman, Drama, the term Theatre Arts more accurately reflects the variety of intellectual and creative activity that encompasses the educational responsibility of the department.

By adding the word "Behavioral" to the former-named School of Social Sciences, the school sought to make the title more descriptive of the actual departmental make-up of the school, which includes psychology, and to bring it into conformity with the statewide system.

CSCSB LIBERAL STUDIES AND SOCIAL SCIENCE B.A.
PROGRAMS OFFERED AT C.O.D.

College of the Desert will collaborate with California State College, San Bernardino in offering bachelor degree programs in liberal studies and social sciences in the Coachella Valley.

The programs are contingent upon sufficient enrollment in the first related classes this fall, according to Stephen Bowles, Dean of Continuing Education.

If sufficient interest is shown, all upper-division classes required for the degrees will be offered at the College of the Desert or in the area by CSCSB.

Instructors will be faculty members from both colleges.

Representatives of Cal State will be at the regular College of the Desert registration, 1 to 9 p.m., August 16 in the C.O.D. gymnasium.

Specific information will be available on the fall classes, schedules, tuition, fee waivers, veteran benefits, admission and registration procedures. Prospective students will be able to consult with the directors of the program and may pre-register at that time.

An information-orientation meeting for the community is set for September 21. It will begin at 7:30 p.m. in the C.O.D. Gym.

In offering the liberal studies and social sciences majors, two programs which would be of greatest appeal to the largest number of students were selected.
