CSCSB HOST TO 40 SCHOOLS
FOR BAND & ORCHESTRA FESTIVAL

Student musicians from more than 40 elementary, junior and senior high schools will participate in a three-day Band and Orchestra Festival on campus, April 3-5.

Approximately 2,500 students are expected to participate in the event, to be held from 8 a.m. to 5 p.m. each day in the Creative Arts Building. This marks the third year the College has hosted the district festival.

The event is sponsored by the Southern California School Band and Orchestra Assn. Co-chairmen are Robert L. Sperry, Cajon High School band director, and Arthur Moorefield, Chairman of the CSCSB Music Department.

Participants who receive superior ratings become eligible to advance to the regional festival. A panel of judges will rate the performances of the groups and offer constructive criticism.

In addition to bands from San Bernardino, groups from San Jacinto, Ridgecrest, Fontana, San Dimas, Chino, Montebello, La Habra, Anaheim, Yucaipa, Rialto, Hemet, Elsinore, Riverside, Long Beach and Pomona will attend.

The College and the public are invited to hear the performances at no charge.

LAST CHANCE TO SEE "FACULTY COLLECTS"

"Faculty Collects," an exhibition representing various pieces collected by members of the College faculty, will close Monday, April 2 at 3 p.m.

Some of the items include a collection of French medals by Richard Switzer, a variety of Ethiopian musical instruments by Arthur Moorefield, a 95-pound sculpture from Hal Hoverland, and many more from contributing faculty.

The show was originally scheduled to close April 10, but due to remodeling of the Fine Arts Building, now in progress, the exhibit is closing ahead of schedule to make way for the workmen.

APPLICATION DATES FOR EQUIVALENCY EXAMS NEAR

The College will administer equivalency examinations in English on Saturday, April 28. Applications to take the test must be filed by Friday, April 6.

Tests in four areas of science and math will be administered on May 19; they have an April 27 application deadline. All tests will begin at 8 a.m. in PS-10. Applications are available in the Counseling and Testing Office, PS-227, and from high school counselors. Students may take the tests at a campus other than the one they plan to attend.

The fee to take the English exam is $20; fees for science and math tests vary from $10 to $50, depending on the kind of exam.

CAL STATE JAZZ ENSEMBLE RECEIVES COVETED INVITATION

The 21-member Jazz Ensemble is among two student jazz groups in the state invited to perform at the Western Regional Music Educators National Conference which ends a four-day biennial gathering, April 1. The CSCSB musicians are performing today at 5 p.m. in the North Ballroom of the Disneyland Hotel.

More than 5,000 music educators and students from seven western states are attending the conference, which features a wide variety of musical groups and forms.

Out of all the jazz groups in the seven western states, only four were selected to perform, representing a significant recognition for the Jazz Ensemble and establishes it as one of the finer jazz groups in the Western United States.
