CHILD CARE CENTER
BUILDING BIDS 27% OVER FUNDS AVAILABLE

In bids received last Tuesday for construction of the College's Child Care Center, the lowest came in over 27% of the estimated cost.

The opening, held in San Bernardino County Offices, drew bids from three contractors: Eason Construction Co., $203,922; Earle Casler, $222,676 and Howard Edmiston, $205,000. The Eason bid, the lowest, is $43,933 over funds available for the building.

The next step will be a review of the situation by San Bernardino county and city departments which are jointly funding the project from community development funds obtained from the federal government. If they find they are unable to provide additional money needed to augment the existing funds in order to meet the bid price, the building plans will be returned to the architect for redesign.

ONE OF "THE NORMAN CONQUESTS," BROADWAY HIT COMEDY, SET FOR JANUARY OPENING ON CAMPUS

Staged in the round, the play focuses on Norman, an eccentric librarian who (Continued on page 2)
believes it is his purpose to spread happiness throughout the world by seducing every woman in sight.

"Living Together" is actually one of three separate plays from Ayckbourn’s Broadway hit "The Norman Conquests." In the play Norman stirs up quite a havoc in his pursuit for happiness. The action takes place on a summer weekend.

Directing this bonus play for season ticket holders is Jeff Hubbard, senior theatre arts major. Norman is played by Eugene Morse. Others in the cast are Michael McCarthy, Thomas L. Huxley III, Pamela Condos, Suzanne Kruk, and Debbie Hotaling. Stage Manager is Adrian Taffolla. Set designer is Aaron Platner. Dawna Gregory is costume designer and Don Gruber is in charge of lighting.

All performances will begin at 8:15 p.m. in the Theatre. Tickets go on sale January 21 in the Theatre Arts Department.

KATHY PEZDEK NAMED CENTER DIRECTOR

Kathy Pezdek, Associate Professor of Psychology, was recently appointed Director of the Faculty Development Center.

Dr. Pezdek has been with the College for five years, teaching courses in the areas of experimental psychology and statistics.

She takes over the role of director from Carol Goss who was in charge of the center from the Fall of 1977. The faculty development program was established to expand the opportunities to improve and refine teaching methods and to assist faculty in discipline-related activities.

In the past, seminars were conducted, workshops on audio-visual and computer techniques were held as well as discussions on special interest courses and research and teaching discussions.

Dr. Pezdek received her M.S. and Ph.D. degrees from the University of Massachusetts and her B.S. from the University of Virginia. In 1976 she was awarded a $10,000 grant for a scientific experiment on the interaction of pictures and sentences in the memory. Her new appointment is for 1980 Winter and Spring terms.

Sympathy

The College was saddened to learn of the death of James C. Van Mowerik, 22-year old CSCSB student who was spending his senior year at the University of Uppsala, Sweden, through the CSUC International Programs. He died of injuries received January 6 in a train accident in Sweden. In addition to his parents, Mr. and Mrs. Jan Van Mowerik of Redlands, he is survived by his maternal grandmother, two brothers and two sisters.

PERSONALS

The College congratulates Dr. and Mrs. John Chaney (Administration) upon the occasion of their marriage during Christmas holidays in Guerneville, Calif. Mrs. Chaney (Janet Peper) is a CSCSB graduate student.
A distinguished panel of women leaders will speak here Wednesday, January 23 as part of a Women in Government Conference.

The tentative program includes Gloria Allred, attorney and leading feminist; Shirley Pettis, former Congresswoman; and the controversial Judge Dana Henry of the Fontana Court. Other speakers will be announced later.

Serving as moderator for the panelists will be Carol Goss, Associate Professor of Political Science. The conference will begin at noon in the College Student Union. The College community and the public are invited to attend at no charge.
