COLLEGE LAYS PLANS FOR ITS
FIFTEENTH ANNIVERSARY OBSERVANCE

On Sunday, April 27, the College will officially observe its Fifteenth Anniversary.

A day's activities to focus on this landmark in the growth of the College is being planned which will include an alumni brunch, tours, art and science demonstrations, children's fair, vocal and instrumental musical performances, drama productions, folk dancing, special library exhibits and much, much more.

Cal State, San Bernardino began its first year in September, 1965. From less than 300 students sharing three buildings with 93 faculty and staff, the College has expanded to nearly 4,400 students and 23 buildings with over 700 faculty and staff.

Headed by Jeanne Hogenson who is serving as General Chairman, a central committee of 14 and its subcommittees are meeting on campus to lay plans for the many events which are scheduled to run from 11 a.m. until early evening.

All College offices are encouraged to assist in publicizing this official Fifteenth CSCSB Anniversary by the use of the anniversary emblem on communications and publications which are sent off-campus. The emblem is shown on the Bulletin masthead above.

A flyer is being prepared which will be available for College offices to enclose with outgoing correspondence in order to acquaint the outside community with the College's coming observance of its fifteenth year of operation.

The central committee is comprised of Joseph Thomas, Irving Buchen, James Crum, Ernest Garcia, Johnnie Ralph, Edna Steinman, Mike Rose, Sheila McClellan, Lawrence Daniels, Fred Newton, Loren Filbeck, Bob Lohnes, Mary Williams and Luella Cohen.

If Gov. Brown O.Ks.
EARLY RETIREMENT SERVICE CREDIT APPROVED BY TRUSTEES

Early retirement service credit for employees of the CSUC moved one more step closer to realization when the Board of Trustees adopted a resolution at its January 22-23 meeting requesting the Governor to issue a proclamation declaring that eligible employees of the CSUC be eligible to receive additional retirement service credit of two years if they retire between March 27, 1980 and June 29, 1980.

The Trustees requested that the Governor issue the proclamation prior to March 1, 1980 to allow time to implement the proclamation within the March 27 and June 29 time frame.

Employees who will be eligible for the early retirement program if it should be put into effect, will receive additional information from the Personnel Office
around February 15. Employees interested in obtaining information prior to that distribution date may contact Oscar Jackson at Ext. 7205.

The additional service credit, however, remains contingent upon Governor Brown issuing the proclamation which is required by AB 879 in order to become effective.

**BILINGUAL GRANTS OFFERED BY STUDENT AID COMMISSION**

Students and teachers who would like to become qualified to teach in a bilingual classroom and need financial aid in order to do so, may apply for a California State Bilingual-Crosscultural Teacher Development Grant.

The application deadline is February 11. Students may file the general SAAC forms by that date, along with a Bilingual-Crosscultural Teacher Development Grant Supplement. The grants range up to $3,000 per year for tuition, fees, books and living expenses, and may be renewed for one additional year. Open to juniors, seniors, graduate students and certificated teachers who are seeking special bilingual teaching skills, awards are made on the basis of financial need, oral bilingual skills and the ability to become a bilingually authorized teacher within two years.

For information and forms, contact Dr. Helena Villaeres Stanton, LC-208, Ext. 7779, or School of Education Office.

BIDS GO OUT FOR SECOND TIME ON CHILD CARE BUILDING

Bids are being called for a second time on the College's Child Care Center.

On March 5 bids will be opened for a slightly modified building.

In order to bring the funds available for the project closer in line with the low bid submitted earlier this month, which was 27% over the funds allocated, both the city and county of San Bernardino have contributed an additional $20,000 for a total of $190,000.

In addition, some changes were made by the architect on the plans which are hoped will reduce the cost of construction. Blocks were reduced in size from four-inch to eight-inch, the over-all size of the structure was reduced somewhat, and much of the kitchen equipment as well as the carpeting was eliminated.

The low bidder in the January 8 opening was Eason Construction Co. with $203,922.

141 GRADUATE
