Two Years' Service Credit

CSUC TRUSTEES EXPECT

GOVERNOR'S PROCLAMATION

ON RETIREMENT CREDIT

Word was received this week from the Chancellor's Office reporting on the status of the two years' service credit for retirement legislation (AB 876).

The Trustees expect to receive the signed proclamation from the Governor no later than the Trustees' March meeting.

To implement the program the Trustees must adopt a resolution on March 26, 1980. In the late afternoon of March 26 or early on March 27 the Chancellor's Office states that it will contact the various campuses by phone to report on the Trustees' action. The Office of Faculty and Staff Affairs also hopes to distribute formal notice and details for implementing the program no later than March 31.

The Chancellor's Office requests that CSUC employees refrain from calling there until word is received on March 27 concerning the action of the Trustees.

CSCSB CHOIR CHOSEN TO COMPETE IN MEXICO CITY FESTIVAL

The College's Chamber Singers have been chosen to participate in the 1980 Collegiate Choral Festival in Mexico City April 2-7. The 19-voice choir, composed of 17 students,

(Continued on page 2)
one faculty (Ralph Carlson) and one staff member (Anne Crum), will compete before a panel of prominent choral adjudicators along with other outstanding choral groups from the United States.

In addition, the Cal State Chamber Singers will sing for the Easter Sunday Mass in the Cathedral of Mexico and will give concert performances at the University of Mexico and the Church of San Francisco.

According to Loren Filbeck, choir director, this is the first time a choral group from the College has been selected to participate in a festival like this. "Naturally, we are very honored," he adds.

Sponsored by the International Music Festivals, the event will also allow the singers time for sightseeing in the Mexican capitol.

The choir will perform music ranging from Renaissance madrigals to works by 20th century composers, folk songs and spirituals.

NEW PLACEMENT COUNSELOR TO EMPHASIZE EARLY CAREER PLANNING

The Placement Center is adding a new dimension to its services next quarter. Ed Schneiderhan, who joined the Center this week, plans to use his skills and experience in vocational testing and career planning to help Cal State students to challenge the job market.

Mr. Schneiderhan comes to CSCSB from Cal State U, Long Beach, where he worked at the Counseling and Human Development Center in career counseling. Here, he hopes to open up a whole new area in early career planning through the use of interest, value and aptitude tests as well as counseling. "I would like to see freshmen, as well as sophomores through graduate students come in for testing and counseling. The earlier, the better," he adds. "We will combine counseling with job and career awareness and job opportunities."

By working with students early in their college years, the Placement Center can determine students' best strengths and bring their specific skills into career decision making.

Vocational and career interest tests will be administered by the Placement Center, work formerly performed by the Counseling Center. Mr. Schneiderhan brings a background rich in vocational testing, drawing from an experience of six years. In addition to his work at Long Beach, he taught courses in career planning and psychology at Santa Ana Community College.

He holds a B.A. and M.S. and is currently working on his Ph.D. at U of San Francisco in the area of student personnel and counseling.

PERSONALS

James Finley (Public Administration) is in the hospital where his condition is extremely grave. The prognosis is that there is severe damage to stomach, liver and kidneys. No operation is planned. He is in a very weakened condition, but apparently is not in pain. No visitors or phone calls are permitted.

**M.A. PSYCH COURSES SCHEDULED IN EVENING STARTING NEXT FALL**  
Courses applying toward the M.A. in Psychology will be offered in the evening, beginning with the Fall Quarter. Because the number of applicants accepted into the program each year is limited to 20, interested students are encouraged to call the Psychology Department this spring for admission requirements.

The change to evening classes resulted from growing demands by graduate students who work during the day, according to Lynda Warren, coordinator of the graduate program. All required courses will meet after 4 p.m.

Students must be accepted by the College and be accepted into the program. The deadline for applying into the graduate program is September 1.

**TWO-DAY BAND AND ORCHESTRA FESTIVAL SCHEDULED ON CAMPUS**  
Around 2,500 students are expected to be on campus to participate in a two-day Band and Orchestra Festival to be held March 25 and April 2.

Student musicians from more than 25 area schools will perform with their bands and orchestras. High school bands will play the first day of the festival and elementary, intermediate and junior high school bands on the final day. They will perform prepared works and play an unrehearsed sight reading. A panel of judges will rate the performances and offer criticism.

In addition to the participating groups, the U.S. Army Band from Fort Huachuca, Arizona will play for the students during the lunch break at noon. The festival is open to all and there is no charge.

**CRIME PREVENTION TIPS**  
Responsible employees can assist in burglary prevention by securing all windows and doors when leaving an office unoccupied.

**GAS LINE INSPECTION BRINGS SHUTDOWN FOR CAMPUS BUILDINGS**
