CSUC TRUSTEES APPROVE EARLY RETIREMENT PROGRAM

The CSUC Board of Trustees approved the AB 876 early retirement program at its meeting last Wednesday to prevent possible lay-offs, demotions and reassignments resulting from budget cutbacks which may be caused by expected passage of Proposition 9.

The Trustees' action was accompanied by issuance of a proclamation from Governor Brown which paved the way for the board's implementing resolution which gives qualified employees an incentive to retire early.

On the CSCSB campus 131 employees are eligible and, to date, around five have indicated an interest in taking advantage of the additional two year's service credit. In order to qualify, employees must be 50 years of age with five or more years of service, and retire between March 28 and June 29.
