FINE ARTS BUILDING TO BE RENAMED VISUAL ARTS

Effective with the beginning of the new school year, the Fine Arts Building will be renamed the Visual Arts Building. The change was requested by the Art Department.

"Within the limitation of names used on campus, we felt this was the best way to describe ourselves," explained Roger Lintault, professor of art and a past department chairman. The narrowing down of the definition in the title seemed appropriate since the functions within the building have changed, he added.

The building, originally known as the Cafeteria Building, became the Fine Arts Building in 1972 when it was occupied primarily by music and drama, plus the Bookstore. The Art Gallery went into the former Cafeteria area and art studios gradually were added at the rear of the building. With the opening of the Creative Arts Building in the summer of 1977, music and drama moved to the new facility.

"We were being congratulated for two years for being in a new building--when we weren't," Lintault explained. The Art Department felt one way to differentiate between various arts, all creative, was to utilize the name of Visual Arts Building, which is well established nomenclature on other campuses, he added.

CHANGES IN HEALTH PLAN PREMIUMS ANTICIPATED FOR AUG. 1

Employees enrolled in the various health plans supported by the state can expect to find changes in their deductions on the July 30 paycheck. In addition to the state increasing its contribution, some insurance companies have changed their premiums or benefits.

The state contribution, proposed to take effect Aug. 1, will be:

<table>
<thead>
<tr>
<th></th>
<th>Effective Aug. 1</th>
<th>Current</th>
</tr>
</thead>
<tbody>
<tr>
<td>Employee</td>
<td>$ 49</td>
<td>$ 43</td>
</tr>
<tr>
<td>Employee and one dependent</td>
<td>90</td>
<td>79</td>
</tr>
<tr>
<td>Employee and 2 or more dependents</td>
<td>117</td>
<td>102</td>
</tr>
</tbody>
</table>

Seven new health plans will be introduced by the state this fall, with two being available in the Los Angeles area. Open enrollment periods will begin in September for employees wishing to change.

Complete details on the benefits changes, monthly premiums and the new plans will be sent to all employees by the Personnel Office late this month.
SERRANO VILLAGE CHARGES SET

The new payment schedule has been established for Serrano Village for the coming year. The new rates represent approximately an 11% increase over last year.

Two types of meal options are available to residents again next year—a 19-meals-a-week or a 15-meals-a-week plan. The 19 meals each week are breakfast, lunch and dinner Monday through Friday and brunch and dinner on Saturday and Sunday. The 15-meal option offers any of the meals from breakfast, lunch and dinner, Monday through Friday, and any of the meals offered on Saturday and Sunday, as long as the weekly total of meals does not exceed 15.

The charges for the coming year will be: double room, $1,842 for the 19-meal plan and $1,727 for the 15-meal plan; single room, $2,142 for the 19-meal plan and $2,027 for the 15-meal plan. Students may have their choice of three payment plans.

The super single room, a double room used by one resident, will no longer be available because of the increased demand for housing in Serrano Village.

"Serrano Village prices are quite competitive with skyrocketing prices off campus," says Dr. Craig Henderson, housing director. A double room with 19 meals is $234/mo.; with 15 meals it's about $219/mo. Off-campus housing costs that much or more for a one-bedroom apartment, which doesn't include food. In addition, residents of the village avoid the gasoline expense which goes along with commuting to school. Dr. Henderson says students over the past years have seen on-campus housing as a good way to overcome the high economic costs outside.

House and room assignments are made on a first come, first served basis. The first housing payment must reach the Bursar's Office by no later than Friday, Aug. 15. Payment earlier than that date is recommended to insure a confirmed reservation, Dr. Henderson said.

HEALTH CENTER SUMMER HOURS

The Health Center is open from 8 a.m. to 4:30 p.m., Monday through Friday by appointment only, through Aug. 1. It will be closed Aug. 4-28 for vacation.

SWIMMING POOL OPEN EVERY DAY THIS SUMMER

The pool will be open from 11 a.m. to 5 p.m. seven days a week from now through Sept. 1. The locker rooms are not open on weekends and holidays, however, and on those days pool users must enter through the south gate. CSCSB identification cards are required of all users.

REGISTRATION ACCEPTED NOW FOR SUMMER POST SESSION

Applications are being accepted until July 26 for the post summer session running July 28 through Aug. 15. Students should register at the Admissions and Records Office.

This three-week session offers courses in education, English, geography, health science, humanities, math, natural sciences and psychology.

Fees are $29 per unit. Students who are enrolled in the regular summer session and have already paid fees for Associated Students, Student Union, emergency health services and parking will not have to pay these charges again.
CAROL DUNLAP NAMED BOOKSTORE MANAGER

Carol Dunlap, an employee of the College Bookstore since November 1977, is the new manager of the facility. Her appointment was announced by Business Manager Leonard Farwell for a selection committee of the Foundation.

Mrs. Dunlap, who previously worked primarily in the aerospace industry as a clerk and secretary, has been the textbook buyer since last spring. She joined the Bookstore as a clerk and bookkeeper.

A third generation San Bernadinoan, Mrs. Dunlap attended San Bernadino Valley College and is an Est graduate. She is a member of the Toastmaster Club in Colton and formerly was active in the Del Rosa Junior Women's Club. She and her husband, Marvin, have two children, Joy, 15, and Aaron, 7. They live in San Bernadino.

Mrs. Dunlap plans to make changes in the Bookstore display and will carry more gift and trade items. She also anticipates introducing promotions, such as gift certificates and drawings, this fall.

Next month she will attend a week of management training at Stanford, sponsored by the National Assn. of College Bookstores.

SUMMER SESSION REGISTRATION DOWN

Registration for the 1980 summer session totaled 850 persons in 74 classes, as of the June 26 census date. Dr. Stephen Bowles, dean of continuing education, expects registrations for the August post session to bring the summer total to the vicinity of 1000 students. The 1979 head count, including both the regular five-week session and the post session, was 1058 students.

COLLEGE RECEIVES $171,440 GRANT FOR UPWARD BOUND

The federal Department of Education is awarding Cal State, San Bernardino, $171,440 to conduct an Upward Bound program for high school students from June 1, 1980 through May 31, 1981.

The latest notification, received on campus this week, updates an earlier notice received last fall. Although the grant is an increase over the $163,901 received last year, it has been cut from the original request.

Upward Bound, under the direction of John Chesney, involves a summer residency component on campus and an academic year program when school resumes. The current summer program, which runs from June 16 through Aug. 1, includes 51 high school students and 22 teachers, counselors and tutors. Classes are focusing on reading, writing, math and social studies. The students, who live in Tokay and Arrowhead Houses, also have an organized recreational and cultural program.

During the school year, the program will involve about 100-115 students, some from last year's on-campus program, Chesney said.

Upward Bound is designed to improve academic and social skills, provide cultural enrichment and motivate students from low-income backgrounds to further their education or training beyond high school. This is the eighth year Cal State has conducted an Upward Bound program.
1980-81 BULLETIN ARRIVES  The college catalog for the coming year, offi-
cially the 1980-81 Bulletin, arrived from the
printer Tuesday. Any college department or office which has not received its
working copies should notify the Public Affairs Office, ext. 7558. Prospective
students may purchase copies at the Bookstore for $1.95 plus tax; the cost is
$3.50 if mailed.

**Speaking up.**  Dr. Fred Kellers (Physics) spoke to the Team-
sters Retirees In San Bernardino on "Pros and
Cons of Nuclear Energy" June 28.

**PUBLICATIONS**  Dr. Alexander Sokoloff (Biology) and former Cal State stu-
dent James Spedding have an article "Contributions to the
 genetics of Tribolium anaphe Hinton (Coleoptera, Tene-
brionidae). I. Split Prosternal Process, a sex-linked dominant mutation" in
the April, 1980, issue of the Journal of the Georgia Entomological Society.

**Professional Activities**  Dr. Vivien Bull (French) assisted by Dr. David
Gerling (Spanish) organized an "Institute for
Self-paced Teaching" June 16-20 at CSCSB,
sponsored by the Teacher Corps. Six public school teachers and six members of
the School of Education attended the Institute.

Dr. Jim Charkins (Economics) will be taking a leave of absence from CSCSB for
the year in order to teach economics education at Purdue University in Indiana.

**ACADEMIC OPENINGS**  Academic Planner (Associate Dean, 12-month position),
Cal Poly, San Luis Obispo; apply by July 15; position
available September, 1980.

Assistant Vice President for Academic Affairs and Special Project Activities,
Cal State, Fresno; apply by July 30; salary dependent upon qualifications.

Lecturer in Journalism, Cal State, Fullerton; apply by July 20; position
available September, 1980; salary range commensurate with qualifications.

Lecturer in Graphics—magazine production, Cal State, Fullerton; apply by
August 1; position available for one year only for the 1980-81 academic year;
$16,368-$17,940.

Lectureship position in archaeology, temporary, part-time, Cal State, Hayward;
apply by August 1; position available for 1980-81 academic year beginning
September 22.

Dean, College of Arts & Sciences, University of Guam, $20,640-$27,660.

Job listings on file in Public Affairs Office.

The California State College, San Bernardino BULLETIN is published
alternate Fridays during July and August by the Public Affairs
Office, AD 117, extension 7558.
DIRECTORY CHANGES

Promotion:
Melvin E. Artrup
Supervising Custodian
Physical Plant, ext. 7429
