ADULT COLLEGE PROGRAM EXPANDS TO EVENING

The Adult College Opportunity Program, entering its second year this fall, expands into the evening hours with a core of courses offered after 4 p.m.

Initiated and directed by Dr. Loralee MacPike, the ACOP is designed for adults whose schooling has been interrupted. The primary components of the program are a core of General Education courses and special support in areas such as academic advising, registration assistance, peer support, time and stress management and assertive training.

The original time frame was 9 a.m. to 1 p.m., which enabled mothers to attend college classes while their youngsters were in school. This fall, basic courses also will be offered in the 4-8 p.m. time slot.

Although technically not on duty now, Dr. MacPike will be available periodically during the rest of August and early September to provide information to interested persons and to aid with admissions procedures. She may be reached through her office (ext. 7488) or by leaving messages at Academic Planning (ext. 7521).

COLLEGE TO OBSERVE LABOR DAY HOLIDAY

All offices and departments will be closed Monday, Sept. 1, as the campus joins the nation in observing the Labor Day holiday. The only exception will be at the Physical Education complex, where the pool will be open from 11 a.m. to 5 p.m. and the outdoor courts available from 4 to 9 p.m. The building and locker rooms will not be open, however.

The pool will then be closed from Sept. 2 until the start of the school year. The schedule for the courts through Sept. 14 is: 4-9 p.m., weekdays and 3-9 p.m., Sundays. The building is closed on weekends.

Other areas also will continue on summer hours until mid-September. The Library, for example, will stay on its 8 a.m.-5 p.m. Monday-Friday schedule until classes resume Sept. 25. The commons remains closed until Sept. 15.

The Student Union, the Health Center and the music-theatre arts office in the Creative Arts Building all will reopen Tuesday, Sept. 2.

The official beginning of the academic year is Monday, Sept. 15. For students, registration packets will be available and a week of orientation and advising will begin. The faculty will report for their annual fall meeting with President Pfau Monday morning, Sept. 15.
PROFESSIONAL ACTIVITIES

Dr. Alexander Sokoloff (Biology) attended the XVI International Congress of Entomology in Kyoto, Japan, Aug. 3-9. He presented a paper on "The process of domestication of Tribolium Brevicornis" in a symposium for which he served as co-organizer and co-chairman. He also was a chairman of an afternoon session where papers were presented on population genetics and geographic distribution.

HONORS AND RECOGNITIONS

Dr. Dominic Bulgarella (Sociology) was named president of the San Bernardino Valley Council, Navy League of the United States.

Dr. J. Peter Graves (Administration) has been selected as one of the Outstanding Young Men of America for 1980 by the United States Jaycees.

EXTENSION BULLETIN

The Fall quarter Extension Bulletin is due from the printer next week. The Bulletin will list courses offered on and off-campus by the Office of Continuing Education during the fall term. Additional copies of the publication may be secured from the Office of Continuing Education, LC 500, ext. 7527.

The extension program offers courses, one-day lecture series, workshops and seminars in a variety of time frames. Some classes have 10 meetings; others are completed in a weekend. In addition to the traditional academic offerings, the Bulletin contains courses for professional development and relicensure, for personal enrichment and for increased financial awareness.

The California State College, San Bernardino BULLETIN is published alternate Fridays during July and August by the Public Affairs Office, AD 117, extension 7558.
