FIRE DAMAGES DORM; 5 STUDENTS INJURED

Waterman House, one of the eight residence halls in Serrano Village, will remain closed for the balance of the quarter as the result of an arson fire early Tuesday morning. Five students who received minor injuries in jumping from their second-floor windows returned to campus after emergency treatment at San Bernardino Community Hospital.

College Police are working with the arson team from the San Bernardino Fire Department and the state fire marshal in their investigation of the fire which was discovered about 3:50 a.m. The fire had two points of origin in the lounge, preliminary investigation shows.

Of the 43 residents in Waterman, 42 have been relocated to the other halls. Most have been provided facilities comparable to what they had previously, although a few will be housed in study and small lounge rooms converted to bedrooms.

Before the building can be reopened to students, electrical wiring in the lounge area will have to be checked completely, the lounge will be completely redone and the balance of the building may need to be repainted. Heat and heavy smoke blackened walls and melted plastic fixtures in the lower corridors. Upper corridors and rooms have odor and residue of smoke. The Chancellor's Office carries insurance for the residence halls, which are funded through a special Dormitory Revenue Fund.

Students who were injured and treated at the hospital include: Adil El Rayah, fractured ankle; Sharon Krauss, breathing problems; Denise Battey, Kelli Jones and Sheila Newell, ankle sprains.

Despite moisture-laden morning skies, Cal State's second spring Open House last Sunday was an event-filled day enjoyed by approximately 2000-3000 visitors.

Locations for some events were changed because of the early morning moisture; others in midday went on as scheduled. Two new events, the Southern California Health Fair and a raku luncheon, proved to be popular. An estimated 500 persons went through the free health screening and others visited the area without registering. The raku luncheon, sponsored by the Art Department, served 150 and sold out.

At the Alumni Brunch, attended by about 85, distinguished alumnus awards were presented to four persons: Alan Breslow, M.B.A. 1979; Connie C. Arnone, M.A. 1978; Wilmer Carter, M.A. 1976; and Loretta R. Martinez, B.A. 1976. The Alumni Assn. also presented an honorary life membership to Edna Steinman, Public Affairs Director, for her work with the alumni newsletter, the Panorama.

The Concert Choir will be joined by the Victor Valley College-Community Chorus and the High Desert Symphony in presenting Haydn's oratorio "The Creation" at 8:15 p.m., Wednesday in the Recital Hall.

A Cinco de Mayo Fiesta will be hosted Tuesday by members of MEChA, with food and entertainment from 11 a.m. to 2 p.m. on the Commons patio.

An exhibit of art by students and community members of Hispanic ancestry will be in the Library from tomorrow through May 30. MEChA also has arranged a three-day film festival in the Student Union Multipurpose Room. The films will be shown at noon Monday, Wednesday and Thursday. They deal with subjects such as the Chicana, Chicano culture and the Chicano struggle for equality.

The Uni Phi Club and the Associated Students will sponsor a talent show, "A Night on Broadway," to raise funds for a disabled students scholarship. Auditions will be held at 6 p.m., Wednesday in the Student Union Multipurpose Room.

The talent show is the brain child of freshman Olga Nunez, who is coordinating the effort. Students, faculty and staff are encouraged to audition for the show.

61 DONATE TO BLOOD DRIVE

The College's Blood Reserve Fund was enriched by 61 units during the blood drive on campus last week. Although 85 people stopped by to donate, 24 were unable to give due to a variety of reasons.

Anyone unable to donate at that time may still do so by going to the San Bernardino-Riverside Blood Bank and requesting that their donation be credited to the Cal State Blood Reserve Fund.

Badger House had the most donors among the residence halls and will retain the Blood Bank plaque in their dorm.
