PRESIDENTIAL CANDIDATES

To Visit Campus

Three finalists for the college presidency have been selected and are set for campus visits. The first candidate will be here Tuesday, June 29; the second will visit Tuesday, July 6 and the third will come Wednesday, July 7. Biographical statements on each will be available on campus the morning of the visit.

Separate times are set for various groups to meet the candidates. The schedule for the meetings, to be held in the Lower Commons, is: 9-10 a.m., staff; 10 a.m.-noon, faculty; 2-3 p.m., students; 3-4 p.m., tour of campus; 4-5 p.m., meeting with trustee; 5-6:30 p.m., reception with members of community, including the various advisory boards.

Accompanying the visitors will be Trustee Lynne Myers and Dr. Robert Tyndall, acting vice chancellor for faculty and staff affairs.

The second president for Cal State, San Bernardino will be chosen by the CSU Board of Trustees, after it interviews the three finalists in a closed meeting beginning at 3 p.m., July 12 in the system headquarters.

RASMUSSEN AWARDED
FINANCIAL AID JOB

Rasmussen Construction of Sunnymead, the second lowest bidder for the job of remodeling the Financial Aid Office in the Student Services Building, has been awarded the contract. The company with the lowest bid of $8,889 withdrew its offer, which was considerably lower than Rasmussen's figure of $14,062.

Work on the financial aid suite of offices will begin Thursday and should be completed in about six weeks. In the meantime, financial aid services will be provided out of a temporary location in VA 116.

The work will entail moving walls to make the present three office spaces into four; installing a counter window in the corridor, and finishing the room at the northwest end of the corridor (the former men's restroom) to provide two office spaces.

BULLETIN SUMMER SCHEDULE SET

As in the past, The Bulletin will go on an abbreviated schedule during the summer. The Public Affairs Office plans to publish the newsletter July 2, July 30, Aug. 13 and Aug. 27. The weekly editions will resume Sept. 3. The number of copies sent to each department will be based on last summer's distribution. Departments not receiving enough copies or receiving too many are asked to notify Public Affairs, Ext. 7558.
KATHY LORIMER

ALSO GRADUATES

Katherine Frances Lorimer should have been included in last week's mention of college personnel and members of their families who have graduated this year. Ms. Lorimer, the daughter of Dr. Edward White (English), received her bachelor of arts degree in music at the conclusion of the spring quarter. In addition, she received her single subject teaching credential.

Also receiving teaching credentials during 1981-82 were Volney White, wife of Dr. White, and Maria-Isabel Perez de Gerling, wife of Dr. David Gerling (Spanish). They both were awarded multiple subject credentials in March.

NOTEWORTHY

Dr. Edward J. Erler (Political Science) has been awarded a grant of $6,128 by the Institute for Educational Affairs for work on a project titled "Supreme Court and Equal Protection: a case study in the failure of judicial statesmanship." He will return in the fall from sabbatical leave.

PUBLICATIONS

Dr. Amer El-Ahraf (Health Science and Human Ecology) has a paper titled "The Impact of New Federalism on Environmental Health Programs" published in the June issue of the National Conference of Local Environmental Health Administrators Newsletter.

Drs. Ward M. McAfee (History) and J. Cordell Robinson (History) have a two-volume document source book titled Origins of the Mexican War published by Documentary Publications, Salisbury, N.C.

Dr. Alexander Sokoloff (Biology) has co-authored an article titled "Morphological and anatomical changes associated with alate prothorax, a homeotic mutant in Tribolium confusum Duval (Coleoptera: Tenebrionidal)" published in the Journal of Advanced Zoology.

CONGRATULATIONS

The college community extends congratulations to Thomas (Financial Aid) and Sandra Christie on the birth of their first child, a daughter Lauren, June 22. Lauren weighed 5 lb., 12 oz.

OASDI SICK LEAVE EXCLUSION CHANGE

Refunds will no longer be made to employees for social security payments taken from sick leave hours. Effective January 1, 1982, OASDI refunds are no longer made.
