UPDATE GIVEN ON STATUS OF PRESIDENTIAL SELECTION

Additional candidates were interviewed by the Presidential Selection Advisory Committee Aug. 5 at the Chancellor's Office and background searches are currently being conducted. The committee will meet Sept. 3 at the Chancellor's Office, at which time three or four finalists will be chosen. It is anticipated they will be on campus the week of Sept. 7 and will follow the same schedule as set for the previous finalists. The Board of Trustees will interview the finalists and name a president at its regular meeting Sept. 14-15.

THREE NEW PROGRAMS Awaiting Approval

Courses for three new degree programs will be offered in September. The B.S. programs in computer science and physical education and the M.A. in criminal justice have been developed by faculty over a period of several months and are now awaiting final approval of the Chancellor's Office and the California Postsecondary Education Commission.

PFM TO PROVIDE FOOD SERVICE FOR REMODELED STUDENT UNION

Professional Food-Service Management, the company in charge of the Commons menu, will provide food service at the Student Union Snack Bar and Pub this year, replacing A&G Associates. In addition to a new, more varied menu, the west wing of the Student Union will have a new atmosphere when it reopens Sept. 15.

PFM and the Student Union staff have been busy this summer remodeling. In the Snack Bar, a large service window for Mexican food and a deli case for sandwiches will be installed. Because more orders can be taken at one time, service is expected to be faster. The food vending machines will be relocated in the hallway, allowing space for a seating area on the east wall of the Snack Bar.

Steve Luna, a student who also works in the Commons, has crafted two wooden birdhouses that will hang in the Beer Garden and several wooden planters for the garden and the Snack Bar. New furniture is planned for the Pub, which also will have a machine that makes special wine drinks. Adding to the atmosphere will be a Tiffany-style lamp with fan and a wall mosaic. In the Game Room, smaller tables will replace the large ones. Carpet art and Navajo wall hangings will adorn the walls, helping to insulate against noise from the game machines. Another major project being undertaken at the Student Union this summer is the restaining of all outside redwood.
PLANS UNDERWAY TO REROOF
STUDENT SERVICES BUILDING

Plans are being drawn for reroofing the Student Services Building and modifying its heating and air conditioning units, slated to begin next June.

The Board of Trustees has appointed the firm of Harnish, Morgan and Causen, Inc., of Ontario as architect and engineer. A total of $396,000 has been allocated for the project, which includes architectural and engineering fees.

Since its construction in 1965, the then stylish flat roof has settled, creating ponds for rainwater which over the years has caused deterioration of portions of the roof and seepage into rooms. This roof will be replaced with a pitched one using insulated material to provide adequate drainage. In addition, the original and outdated roof-top heating and air conditioning units will be replaced with more efficient units that will draw chilled water from the Heating and Air Conditioning Plant to provide cooling for the building.

While construction is in progress next summer, offices located in the Student Services Building will move into temporary locations in the residence halls and Visual Arts Building.

Replacement of the roof on the Visual Arts Building, which was similarly constructed, is planned for the summer of 1984, if funds are available. Repairs were undertaken recently by Plant Operations to correct the leak problem in that building.

TRUSTEE COMMITTEE RATIFIES
FOUR BARGAINING AGREEMENTS

The Trustees' Committee on Collective Bargaining, acting on behalf of the Board of Trustees of The California State University, ratified collective bargaining agreements with the following four units: Unit 1, physicians—agreement with Union of American Physicians and Dentists; Unit 5, operations and support services—agreement with California State Employees' Assn.; Unit 7, clerical/administrative support services—agreement with California State Employees' Assn.; Unit 8, public safety officers and public safety investigators—agreement with Statewide University Police Assn.

MINOR CONSTRUCTION
UNDERWAY IN COMMONS

Glass and Mirror, Inc., of San Bernardino is doing the work at an approximate cost of $3,800.

The California State College, San Bernardino BULLETIN is published Fridays by the Public Affairs Office, AD 117, Ext. 7558. Items for publication should be received in writing by noon Tuesday.

CONTINUING EDUCATION
AWARDED $3,000 GRANT

The Office of Continuing Education will have assistance promoting its classes for educators through a $3,000 grant from the Academy of Continuing Education. The purpose of the grant is to help the office inform teachers about programs it offers that can enhance their skills in the classroom.

Based in Chicago, the Academy is a group of dentists whose efforts are directed toward encouraging educators and dentists to keep current in their fields. Continuing Education plans to use the grant for special mailings to teachers and advertisements in publications for educators.

PROFESSIONAL OPPORTUNITIES

(Additional information is posted on the Faculty Senate bulletin board near AD 169.)

UC, Santa Cruz—executive secretary to the chancellor; apply by Aug. 18.)

PERSONNEL

NEW TO THE COLLEGE
