EXTRA TIME, ALTERNATE ROUTES ADVISED DURING UNUSON FESTIVAL

Freeways are expected to be jammed in all directions Sept. 3, 4 and 5 by traffic going to the Unite Us In Song (UNUSON) concert and computer exhibit at the Glen Helen Park in Devore. Also, some parking will be made available to festival goers near the old Mobil gas station on State College Parkway, next to the freeway, so the freeway exit ramp to the parkway may be congested. Festival officials plan to provide a shuttle from that lot to the event.

The college community is advised to listen to traffic bulletins on local radio stations, use alternate travel routes and allow extra time if driving area freeways or the parkway west of the freeway to campus. Crowds in excess of 100,000 daily are expected, many to arrive beginning Sept. 1.

The campus will remain open for normal business Sept. 1-3. The college, including the physical education facilities, will be closed to all traffic except essential campus personnel Sept. 4-6.

Cal State, San Bernardino will have a booth in one of the exhibitors' tents to provide information on its computer programs and the college.

PRESIDENTIAL CANDIDATES TO VISIT SEPT. 8, 9, 10

Three candidates for the Cal State presidency will visit the campus Sept. 8, 9 and 10. Several candidates were interviewed Aug. 5 by the Presidential Selection Advisory Committee. The Chancellor's Office staff is conducting background searches. On Sept. 3, the committee will meet once more to review the background information, and trustee members of the committee will choose three finalists. The schedule for their visits, the same as before, will be provided in next week's Bulletin.

Information from the Chancellor's Office indicates Dr. David Brown, one of the previous finalists who visited campus, has accepted a position as president of a small college in Lexington, Ky., and will not be available for consideration. Dr. Judith Sturnick is still interested in being considered for the position. She will not be making another formal visit to campus before the Board of Trustees selects the president Sept. 14.

COUNTERFEIT MONEY SEMINAR SEPT. 2

Jim Delamar, an agent with the United States Secret Service, will present a seminar on recognizing counterfeit money at 10 a.m., Thursday, Sept. 2, in the Lower Commons. The 30-minute seminar is designed for faculty and staff who handle large sums of money, but all interested campus personnel may attend. A limited number of informational booklets will be available to departments that may have to deal with bad checks and counterfeit money. Quentin Moses (College Police) is coordinating the program.
COLLEGE FACILITIES TO REOPEN SEPTEMBER

The following college facilities, closed during August, will reopen in September: Art Gallery, Sept. 7; Health Center, Sept. 1; Creative Arts Building, Sept. 1; Commons, Sept. 14; and Student Union, Sept. 15.

NEW PROGRAM APPROVED IN ADAPTED PHYS. ED.

The College has a new program in adapted physical education for teachers interested in obtaining authorization to teach in this field and for others working with people with disabilities. Previously, the only such programs in the area were at Cal Poly, Pomona and the University of Redlands.

Four classes, or 15 units, are required in the program, which was approved this summer by the Commission for Teacher Preparation and Licensing. Most teachers already have taken one of the courses, psychology and education of exceptional children, a mainstreaming requirement. Information is available by calling the Physical Education and Recreation Department, Ext. 7561, or the Teacher Credential Office, Ext. 7782.

STUDENT APPOINTED DIRECTOR OF CSSA COLLECTIVE BARGAINING

Shari Mills, a senior at Cal State, San Bernardino, has been appointed collective bargaining director for the California State Student Assn., the statewide representative body for students in The California State University system.

She competed with students across the state for this full-time position at the Chancellor's Office. Selection was made by the Collective Bargaining Committee of the association. As collective bargaining director, Miss Mills will be responsible for training student collective bargaining representatives and will act as liaison between the students and the bargaining units and the Chancellor's Office.

Miss Mills has been interim collective bargaining director since July. Expecting to receive her degree in administration at the end of the fall term, Miss Mills plans to pursue a master's in business administration with an emphasis in personnel and industrial relations.

CSCSB SOFTBALL TEAM CAPTURES SECOND PLACE

Playing its first league games this summer, the Cal State San Bernardino co-ed slow-pitch softball team captured the second place trophy for C Division of the San Bernardino Parks and Recreation Slow-pitch Softball League. Mike Endeman (Accounting) is the coach.
