It has been accepted for inclusion in Friday Bulletin by an authorized administrator of CSUSB ScholarWorks. For more information, please contact scholarworks@csusb.edu.
Dr. James D. Thomas, associate vice president for academic resources, has resigned his administrative position effective Sept. 1 and will return to the classroom next fall.

Dr. Thomas, a professor of political science, has been teaching regularly since joining the college in September 1968 as dean of academic administration. His position was retitled associate vice president, with the beginning of the current academic year. His responsibilities include allocation of resources, resolution of space problems and supervision of the Computer Center.

In the coming year, Dr. Thomas also hopes to write a history of the U.S. Supreme Court from the New Deal to the present. His academic specialty is constitutional law and he has spent a year in India as a Fellow of the American Institute of Indian Studies researching the Indian Constituent Assembly, the body that wrote that country's constitution.

"I have enjoyed my work as an administrator very much and have found the transition of recent months exciting. However, for a number of years I have felt the need to write and return to teaching. The coming bicentennial of the Constitution makes now the time to write about the Court," he said.

Prior to coming to the Cal State campus, Dr. Thomas was corporate secretary and director of management services for Phototron Corp., Rialto. Earlier he spent four years teaching at Loyola University, the University of California, Santa Barbara and San Bernardino Valley College. He also has experience in systems and management operations in the aircraft and steel industries.

A resident of San Bernardino from childhood, Dr. Thomas earned his B.S. in foreign service from Georgetown University and his M.A. and Ph.D. from Claremont Graduate School.

The Renaissance Festival, the highly popular dinner-musical entertainment presented by the Chamber Singers, will be Thursday and Friday, March 8-9 in the College Commons. The theme will be "An Elizabethan Feast." "The sumptuous banquet will be followed by scenes and sonnets by William Shakespeare," said Dr. Loren Filbeck, originator and director of the event. The evening's entertainment will include singing, dancing and playing by the Chamber Singers.

The college community is invited to attend. The cost is $18 per person. Invitations may be requested from the Music Department Office. Early reservations are advised since the event traditionally is sold out.
HUMPHRIES NAMED VETERANS COUNSELOR

Emmanuel L. Humphries is the new veterans affairs counselor. The half-time position includes providing counseling services to veterans and assisting them in academic and personal problems. He is also a half-time SAIL program counselor.

He is a veteran of seven years of active military service, including a tour in Southeast Asia during the Vietnam conflict. His experience in counseling began in the military as a volunteer human relations counselor.

Humphries earned his B.A. in psychology and M.S. in clinical/counseling psychology here. His office is in SS 164. He can be reached at Ext. 7747. Messages may be left at Ext. 7673.

TEACHER WORKSHOPS TO BE HELD BY PLACEMENT OFFICE

Two workshops are planned for students interested in the teaching profession by the Career Planning and Placement Center.

Mrs. Orval Winters, director of certificated personnel with the San Bernardino City Unified School District, will discuss what practice teachers should know about interviews with a school district from 3 to 5 p.m. Monday, Feb. 13. The seminar, held in the Lower Commons, will include simulated interviews.

The workshop, "So You Think You Want to be a Teacher," will be from 2 to 4 p.m. Wednesday, Feb. 15, in the Student Union Senate Chambers. The seminar, directed by Lynn Moss and Ed Schneiderhan of the Placement Center staff, is especially appropriate for liberal studies majors.

CAMPUS BLOOD DRIVE TO BE WEDNESDAY, FEB. 15

The Blood Bank will be on campus Wednesday, Feb. 15 for its annual drive to replenish the credit in the campus Blood Reserve Fund. Donors should report to the waiting room of the Health Center between 10 a.m. and 3 p.m.

The Cal State Organization for College Women will provide cash prizes for a drawing. The houses in Serrano Village again will compete for the Blood Bank plaque, awarded annually to the house with the greatest contribution. All donors will receive "cool-can" holders from the Blood Bank. Anyone who has donated three times since Jan. 1, 1983 will also receive a pedestal coffee mug.

President Evans has approved time for staff members to donate blood.
Commencement To Be At 6 p.m. Next June

Commencement exercises for the class of 1984, set for Saturday, June 16, will begin at 6 p.m. on campus, instead of the 9:30 a.m. hour used for the past seven years. The ceremony probably will be on the lawn south of the gymnasium, although details have not been finalized. The speaker will be Dr. Robert Middlekauff, director of the Huntington Library in Pasadena.

With the change, the college will nearly return to the hour the first two commencements were held. In 1967 and 1968 the ceremonies were at 5:30 p.m. on the mall between the three initial buildings. In 1969 the exercise was moved into the new gymnasium and the time was changed to 8 p.m. When the capacity of the gym was exceeded in 1974, the event was taken outdoors and the hour was changed to 10:30 a.m., then 10 a.m. and finally 9:30 a.m. because of the morning heat.

Graduates from summer 1983, fall 1983 and winter 1984 and candidates from spring 1984 will be eligible to participate. Details on the ceremony will be mailed to them about April 1 by the Activities Office.

Housing Needed For High School Teachers

Housing is needed for married high school teachers from throughout the country who will attend the summer Institute conducted here by Dr. Eugene Garver (Philosophy) under a $52,892 grant from the National Endowment for the Humanities. The six-week Institute is devoted to the topic of "Rhetoric, Communication and Freedom." Fifteen teachers will be accepted.

Faculty, staff or students willing to rent their homes or apartments from June 25 through Aug. 3, 1984 are asked to call Dr. Garver at the Philosophy Department Office, Ext. 7469, between 11 a.m. and 4 p.m., Monday through Friday.

Single participants will be able to secure accommodations in Serrano Village on campus. Some of the teachers are expected to come with spouses and/or families, Dr. Garver indicated.

Office Moves Take Place

Several offices within the Admissions and Records function switched office space this week. Associate Dean Don Kajcienski and his secretary, Pamela Langford, are now in SS 144. Registrar JoAnn Von Wald and her secretary, Joyce Jensen, who formerly occupied these offices are now in SS 180, where the dean was before the move. Khalil Daneshvar has moved from SS 180 to SS 148. Joy Gadbois and the registration procedures are now in SS 180. Petitions for adding and dropping classes will now be taken at the window in the front lobby, instead of SS 148. Phone numbers are unchanged.

Alumni In The News

Joyce Eskin of Highland, who received her B.A. in art and history here in 1982, will have a one-person show, "Reflections in Images and Design" in the Art Gallery at San Bernardino Valley College Feb. 11-March 1. A reception honoring the artist will be held from 2-4 p.m., opening day.

Gerald Shepard, a 1980 graduate with a B.A. in psychology, has been accepted at the Southern California College of Optometry in Fullerton. He will begin the four-year Doctor of Optometry program in August. His wife, Kathryn, is the college purchasing agent.
APPLICATIONS BEING RECEIVED FOR ADMINISTRATIVE FELLOWS

The selection process for the 1984-85 CSU Administrative Fellows Program begins Feb. 13, with deadline for applications March 12.

The Administrative Fellows Program provides an opportunity for upward mobility for women and minorities who have had administrative experience, or who have demonstrated the potential for administration by leadership activities and other experiences.

Each Fellow will be assigned to a mentor, a person who holds a position at the Dean's level or above.

Completion of the one-year program may lead eventually to placement and advancement in administrative, managerial, and executive positions in the CSU.

"The program is open to tenured/permanent or probationary academic and administrative personnel," Dr. Caesar J. Naples, vice chancellor, faculty and staff relations, said.

Fellows will receive their regular salary, vacation, and retirement benefits as if they were in their regular position in the headquarters or on a campus.

Offers of appointment as Administrative Fellows will be made May 14.

All appointments will be contingent upon funds being provided in the 1984-85 CSU Support Budget.

Information and applications are available from Dr. J. C. Robinson, associate vice president of academic personnel, Ext. 7510.

CHANGES FOR MEAL CLAIMS

Employees, defined as eligible in a Memorandum of Understanding (MOU) or Trustee policy, may request up to $7.25 for overtime meal allowance, except those in Units 5 (Operations Support) and Unit 7 (Clerical/Administrative Support Services). Units 5 and 7 employees are limited to $5.50. All claims for overtime meal allowance must be supported by a receipt.

The $3.75 allowance for incidentals (miscellaneous expenses) may now be claimed for part of a 24-hour period provided that one total period of 24 hours has been completed.

NURSES TO CHECK BLOOD PRESSURES

High blood pressure, also known as hypertension, is one of the most serious diseases in the United States, contributing directly or indirectly to about a million deaths a year.

The simple, painless test which helps individuals check their blood pressure will be administered on campus Monday, Feb. 13. The Health Center has arranged for registered nurses to be available in four sites throughout the day to take blood pressures. The schedule is:

Dr. Naomi Caiden (Public Administration) has an article, "Guidelines to Federal Budget Reform," in Public Budgeting and Finance, Winter, 1983.

Drs. Alexander Sokoloff and Ruth Wilson (Biology) along with former students Gary Mulder and Daryl Faustini have a publication, "Observations on Populations of Tribolium brevicornis Le Conte (Coleoptera: Tenebrionidae). II. The habitat niche of a local population in Southern California," in the July 1982 Pan-Pacific Entomologist published in December 1983.

Dr. Peter Williams (Mathematics) and Dr. E. F. Robertson of the University of St. Andrews, Scotland, had their paper "A Presentation of PGL(2,p) with Three Defining Relations" accepted for publication in the Proceedings of the Edinburgh Math Society.

Dr. Frances Berdan (Anthropology) presented a lecture on "Precious Metals, Stones, Feathers and Cloth in Aztec Culture" to the Society of Women Geographers in Pasadena Jan. 18.

Dr. Craig Henderson (Dean of Students Office) spoke on the Inland Empire Report program at radio station KCKC about job discrimination against gay people Jan. 22. State Senator Art Agnos, D-San Francisco, was also on the program.

Jo Ann Von Wald (Registrar) was elected vice chair of the Veterans Employment Committee of San Bernardino Feb. 3.

The Financial Aid Office staff conducted many numerous workshops for parents and students regarding the 1984-85 application process. Director Ted Krug made presentations before the Rotary Club, Upward Bound Program on campus, Swans Club and Socialites of San Bernardino plus the following high schools: Chaffey, Arlington, Rim of the World, San Bernardino, Big Bear and Serrano. Rita Cohn conducted workshops at Riverside Poly, Colton, La Sierra and Norte Vista high schools and New Hope Church. Nick Pencoff made presentations at Palm Springs, Apple Valley and Indio high schools, plus provided inservice training for representatives of the Office of Civil Rights.

Congratulations are extended by the college community to Dr. Chris Freiling (Mathematics) and his wife, Chris, on the birth of the second child and first son, Eric, Jan. 12. The baby weighed 7 pounds 2 ounces.

Dr. Francesca Bero (Education) is on 2/3 leave working as director of the Greater Los Angeles Crippled Children's Foundation.

Dr. Nathan Kravetz (Education) is on 2/3 leave to head the West Coast Office of the Hopkins University Center for the Advancement of Academically Talented Youth, working in the Los Angeles area.
PLACEMENT CENTER HOLDS INTERVIEW WORKSHOPS

The winter quarter series of job interviewing workshops continues Tuesday, Feb. 14. The "Asserting Yourself in the Job Interview" seminars are being held four consecutive Tuesday afternoons. Next week's seminars are held in the Counseling Center, PS 227 from 3 to 5 p.m.

The focus is in interviewing techniques through the use of video taping mock interview situations. All students, regardless of class level, are invited to participate. Also, college alumni seeking employment who wish to strengthen their interviewing techniques may participate.

NO HOLIDAY

Cal State students, faculty and staff will have classes and work as usual on Lincoln's birthday, Feb. 13, and Washington's birthday, Feb. 20. The time will be taken on Dec. 20 and 21.

PERSONNEL
