OPEN HOUSE MOVES INTO HIGH GEAR

From the desert to the sea—from a camel to a whale—and from the arts to the sports, a burgeoning range of activities is being planned for the college Open House Saturday, April 28.

The whale, a microcomputer-controlled facsimile of a 22-foot whale, is part of the ME Festival (Microtechnology for Everybody), which is being held Friday and Saturday, April 27-28. The real, live camel is being brought to the campus under the sponsorship of the Uni Phi Club to provide rides for visitors. Proceeds will benefit projects for the handicapped.

Equally untraditional sights on the campus may include an Army Huey helicopter, fire apparatus and vintage autos.

Favorite events from past Open Houses which will return this year include the children's art fair, the raku luncheon, demonstrations by art faculty, the chili and pie baking contests, the major exhibit in the Art Gallery and the sale of student art works.

Sports activities, centering around the Physical Education complex, will include softball, tennis and soccer plus the Heart Assn.'s 5-10 K runs early in the morning.

Numerous other demonstrations and exhibits are being planned by the Open House Committee, chaired by Dean of Students Peter Wilson. Frank Slaton, manager of the Computer Center, is arranging the ME Festival and its related events.

"We anticipate the Open House will be fun and interesting," said Dr. Wilson. "The committee encourages students, faculty and staff to put the date on their calendars and plan to take part in the festivities." Most activities will occur between 11 a.m. and 4 p.m., although ME Festival exhibits will be open until 6 p.m.

MICHAEL ANDERSON
TO PRIVATE INDUSTRY

Michael W. Anderson, who has been executive dean for college relations since last August, has left the college and is entering private industry. A national search is being conducted for the new executive dean. Dean of Students Peter A. Wilson will head the search committee. Faculty Senate constituent groups are currently electing representatives to this search committee and to the one for the associate vice president for academic resources. Vice President Gerald Scherba chairs that search committee.

VISION CARE
CLARIFICATION

Only employees in collective bargaining Units 3 (faculty) and 4 (academic support) are eligible for the voluntary vision care program, according to the Personnel Office, which has received a number of inquiries.
