MORE THAN 1040 GRADUATE TOMORROW

Approximately 1043 seniors and graduate students will be eligible to receive diplomas at the college's 18th annual commencement exercises beginning at 6 p.m., tomorrow on the lawn south of the Gymnasium.

Sixty percent of the record-setting Class of 1984, which includes fall and winter graduates and spring and summer candidates for degrees, are expected to take part.

The commencement address, "Some Unsolicited Advice for the Class of 1984," will be given by Dr. Robert Middlekauff, director of the Huntington Library, Art Gallery and Botanical Gardens in Pasadena. Until accepting that position last year, he was provost and dean of the College of Letters and Science at UC Berkeley.

Marshals will be Dr. Margaret S. Doane (English), student marshal; Dr. Frances F. Berdan (Anthropology), college marshal; and Dr. Joe Bas (Spanish), faculty marshal. Dr. Robert A. Blackey, outstanding professor for 1983-84, will receive a citation from the college during the exercises.

The CSU Board of Trustees will be represented by Dr. Robert Kuly, the faculty trustee, who is on the Cal State, Los Angeles faculty. Eight members of the College Advisory Board are expected. In the platform party will be Robert Custer, Col. USAF (Ret.), Clarence Goodwin, Gloria Macias Harrison, Sister Ann Muckerman, Dr. Claud Noel, Richard Padilla, Dr. Wayne Scott and Roberto Velasquez.

The Wind Ensemble, directed by Peter Fournier, will provide music for the ceremony, which will be followed by a reception honoring the graduates in the Commons Patio.

Faculty who are participating in commencement should check in near the swimming pool at 5 p.m. and assemble in the small gym in academic regalia at 5:30 p.m. This year, for the first time, the faculty will lead the processional march.

FALL COACHING STAFF IS NOW COMPLETE

With the hiring of coaches for women's volleyball and men's and women's cross country, the college's first coaching staff is complete and ready for the beginning of intercollegiate athletics in September.

Named volleyball coach is Naomi Ruderman, who introduced that sport at Cajon High School and has taken its teams to league and CIF championships and to CIF play-offs in the last 12 years. Her teams have been undefeated in league play for eight seasons. She earned a B.S. from UCLA and an M.A. from Cal State, Los Angeles, both in P.E.

Thomas Burleson, head cross country and track coach at Serrano High School in Phelan for four years, will be responsible for both men's and women's cross country. His teams, both at Serrano and earlier in the Claremont School District, have placed in CIF competition. He was an outstanding track man at California Lutheran College, where he earned his B.A. in physical education and his M.A. in special education.
