Dr. Juan Gonzalez (Student Services) has been appointed the permanent vice president for the university's student services division. The appointment was recently announced by President Anthony Evans. Since September, 1990, Gonzalez has served in this capacity on an interim basis, succeeding Dr. Peter Wilson, who now serves as acting dean of the Coachella Valley Center.

As vice president for student services, Gonzalez oversees several key university departments, including enrollment services, financial aid, outreach services, services to students with disabilities and international students, academic advancement, and student services. He also is responsible for acting dean of the Coachella Valley Center.

Gonzalez' past experience in program evaluation and the administration of educational equity programs corresponds with his present responsibilities as vice president. Prior to joining Cal State in 1987 as the university's first assistant to the president, Gonzalez was a visiting research associate at UCLA's Higher Education Research Institute, studying strategies for keeping low-income and minority students in college. Before that he served as director of the Academic Advancement Program at UCLA.

He also has served as a consultant to a variety of educational agencies, including the California Postsecondary Commission and the Tomas Rivera Center in Claremont. CA. Gonzalez holds a Ph.D. in educational psychology from the University of Illinois, an M.A. in bilingual-bicultural education from the University of Texas in San Antonio, and earned his undergraduate degree in Latin American studies from Texas Tech. He is the immediate past chair of the American Association for Higher Education's Hispanic Caucus.

Active in community organizations, Gonzalez is a member of the executive board of the Boys and Girls Club of San Bernardino and the Arrowhead United Way. He also is a member of the Kiwanis Club of San Bernardino.

"During the past five years, Dr. Gonzalez has served the university in several key leadership roles, and I am convinced that he will continue to distinguish himself as vice president," says President Anthony Evans. "He is energetic, highly competent and service oriented, and will be an effective advocate for our students and the division of student services. He enjoys my enthusiastic support, as he did of the search committee that recommended him as the preferred candidate."

Others on campus join the president in his support of Gonzalez. "The search committee members, along with many campus constituencies, were unanimous in their support for Dr. Gonzalez," notes Vice President Judith Rymer (University Relations), who chaired the committee. "His genuine concern for students and his ability to work with them were cited as major strengths. Additionally, he was lauded for his strong leadership of the division over the past two years."

**SOUNDS OF BLUEGRASS, RHYTHM AND BLUES A-COMIN'**

The all-female bluegrass band, Sidesaddle, will perform July 15, and the rhythm and blues group, Rick and the Recuperators, on July 22, as the university's Eighth Annual Summer Entertainment Series continues. The free, open-air concerts begin at 7 p.m. on the Lower Commons Plaza.

Hailing from the San Jose, CA area, Sidesaddle has performed throughout the state and in the Pacific Northwest, including appearances at the Alaska State Fair, the Garlic Festival in Gilroy, CA, Melody Tavern in Seattle and the Strawberry Bluegrass Festival in Yosemite. The group's album, "Saratoga Gap," reached the number seven position on the American Bluegrass charts two years ago and earned air-play in several foreign countries.

A "no frills, dance-your-blues-away" band, Rick and the Recuperators blend their original songs from two albums with pop hits from notables like Professor Longhair, Bonnie Raitt and Big Joe Turner. The ensemble is led by keyboardist/vocalist Rick Sterbenz and bassist/vocalist Dave Andrieux, and has toured throughout the United States and Canada.

Concertgoers are invited to bring picnic settings and watch the shows from the grass overlooking the stage area. Refreshments will be sold. Alcohol will not be permitted on the concer grounds.

Funded entirely by non-state monies, sponsors for the Summer Entertainment Series include several campus organizations, as well as NEC Business Communications Systems, the California Arts Council, the National Endowment for the Arts, W.E.B. Corporation and ASCOM Limited.

For more information, call the Student Life Office at Ext. 5234.

**PARTICIPANTS SOUGHT FOR NEW FRIENDSHIP FAMILY PROGRAM**

Designed to help familiarize new international students with American culture, the Office of International Student Services plans to kick off a new Friendship Host Family Program this fall, reports Elia Fernandez, director.

"This program is geared to provide an opportunity for new international students to gain an understanding of American life in the United States and to provide a permanent friend."

ON A PERSONNEL NOTE

COMMUNITY SERVICE
Cindi Pringle (Public Affairs) spoke to Lytle Creek Elementary School students about careers in communication on June 11.

HONORS
Michael Hickman (Hearing and Air Conditioning) has received the Governor’s Employee Safety Award from the Department of General Services in Sacramento. A refrigeration mechanic, Hickman played a key role in planning and implementing the university’s asbestos management plan.

Mary Kornguth (Nursing) was named a fellow for Project SHARE, a national program for improving school nurse care for students with disabilities. Kornguth will attend the Summer Faculty Institute at the University of Colorado July 7-12. Project SHARE is a three-year fellowship program that trains nursing school faculty who, in turn, help elementary and secondary school nurses develop their skills.

EMPLOYMENT OPPORTUNITIES
Due to conflicts in the Bulletin production schedule and the personnel job-posting schedule, current job vacancies are not included in this issue of the campus newsletter. For employment information, call the 24-hour hotline at Ext. 5139, or visit the Personnel Office, Room 61, Student Services.

NEW FRIENDSHIP FAMILY PROGRAM (CONTINUED FROM FRONT PAGE)
community contact for the international student,” says Fernandez. “The host family will welcome the student into their home for a holiday or other special event and, hopefully, the American family who helped her learn some of the nuances of life in the United States.

Mike Fisk (Bursar) on the birth of their son on June 22 at 8 p.m. Nicholas Enrique Silva weighed 6 pounds, 10 ounces and was 20 inches long. University employees extend deepest sympathy to Donna Lewis (Extended Education) and John Silva (Computer Center), granddaughter of Henry Silva (Payroll) and Nora Silva (Accounting) are the proud grandparents.
