WOUNDED OFFICER RECOVERING AFTER SHOOTING

Campus public safety officer Ed Brock is expected to recover fully from a gunshot wound sustained while confronting a murder suspect Dec. 6. The incident occurred in front of an auto service garage at Kendall and University Parkways.

Responding to a call for assistance from the San Bernardino City Police Department, Brock began patrolling the area for two men suspected of killing a 29-year-old woman in her car as her daughter, 5, watched.

Apparentiy, the woman was shot for refusing to give up her car, parked in a garage area outside her Acacia Park apartment.

A witness, says Ed Harrison (Public Safety), who happened to be in the area and apparently knew Brock, informed him of a suspect who was being held for questioning at the San Bernardino County Jail.

The following is provided for all employees wishing to submit such information as calendar, birth announcement and community service items for publication in The Friday Bulletin. Generally, submissions are due 10 days before the date of publication. Story suggestions for review by the editorial team should be submitted approximately three weeks before publication date. Send items to The Friday Bulletin, Public Affairs, AD 121, or call Ext. 5007.

HOLIDAY GREETINGS!

President and Mrs. Anthony H. Evans extend season’s greetings to all in the university community.

“Again this year, Lois and I wish for you and your family a joyous holiday season. Thank you for your unwavering efforts to improve the university this past year.”

STANSEL RETIREMENT LEADS TO INTERIM APPOINTMENTS

Three management posts in the Student Services division have been filled on an interim basis due to vacancies left after the retirement of Doyle Stanol, a 26-year university employee.

Patricia Rodgers-Gordon will serve as acting director of the Career Development Center, Norm Stolst as acting director of Housing, and Randy Harrell as acting assistant vice president for student services.

The announcement was made by Dr. Juan Gonzalez, vice president for student services. All appointees are residents of San Bernardino.

Rodgers-Gordon has nearly 10 years of experience in employment counseling. She has been with the university for almost four years, serving as an educational counselor in Cal State’s Career Development Center.

Stanol joined the university in 1990 as the coordinator of residential life for the university’s on-campus housing.

Both Rodgers-Gordon and Stolst will report to Harrell, who has been with the university since 1987 overseeing the Office of Student Life. In addition to the career center and housing, his new responsibilities will include the Student Union, the Health Center and Services to Students with Disabilities.

Gonzalez says that the extensive experience of this management team “has certainly prepared them to lead the division in a creative, orderly and sensitive manner.”

LOCAL EXPERTS TO PEER INTO ECONOMIC CRYSTAL BALL

Only five days before a “new generation” president takes office, four local experts will examine the economic impact of President-elect Bill Clinton’s election.

“Will Gridlock and Recession Persist in 1993?” is the issue experts will tackle at the Sixth Annual Economic Forecast Breakfast being held Jan. 15 in the Upper Commons. The breakfast will run from 7:30-10 a.m.

Heading the list of panelists is State Assemblyman and minority floor leader Jim Brulte. At 36, Brulte is one of the legislature’s youngest members. He’ll be joined by Dan Walters, columnist for the Sacramento Bee, and Dr. John Husing, a leading San Bernardino economist who has spent 26 years studying and reporting on the Inland Empire’s economy. Rounding out the panel is Dr. David Porter, dean (School of Business and Public Administration).

Cost for the breakfast is $35 per person, or $210 to reserve a table for six. Reservations must be paid by Jan. 8. For reservations or more information, call Ext. 5700.

Videconference—Dr. Thom Gehring (Advanced Studies in Education) speaks to attendees at the Nov. 19 interactive videconference held on campus. More than 100 correctional education and literacy providers attended the conference, hosted by the CSUSB Center for the Study of Correctional Education. A second videconference is scheduled for April 15.
WHEN, WHERE TO PICK UP DECEMBER PAYCHECKS

Although the university will be closed between Christmas and New Year’s, December paychecks will be available on Thursday, Dec. 31, says Donald Sprentini (Accounting Office).

It is the responsibility, he adds, of area administrators to notify their employees as to where to distribute paychecks and where. Checks not disbursed on Dec. 31 will be picked up at the Bursar’s window at 11 a.m. Monday, Jan. 4, 1993, by the regular designees from the schools and departments.

HOLIDAY CLOSURE REMINDER

... Not that anyone should need reminding that they don’t have to work. But just in case you’re terrible with dates, the campus will be closed from noon, Dec. 24-Jan. 3. Have a Happy Christmas and a Merry New Year!

A TASTE OF THE INTERNATIONAL

In October the International Student Services Office held its first “Coffee Hour with International Students,” an informal get-together designed to give faculty and international students a chance to exchange ideas over cookies and coffee. The gathering will be on the second week of each month, alternating between Wednesdays and Thursdays to allow as many as possible to come. For information on when the next coffee hour is scheduled, call Ext. 5197.

PARKING LOT CLOSINGS

As you may have noticed, some campus parking areas have been closed as contractors work on parts of the campus roadway system, dormitory sidewalks and parking lots. The Biology parking lot will be closed from Dec. 14-18 for paving repairs north of the Biology Building. The Children’s Center parking lot also will be closed for repairs Dec. 19-23. Questions may be directed to Tyrone Brockman (Physical Plant) at Ext. 5166.

BIRTH ANNOUNCEMENT

The campus community congratulates Carol Lundberg and her husband, Dan, on the birth of their first child, Ian Daniel. Born Nov. 5 at San Antonio Hospital in Upland, the baby weighed 7 pounds, 11 ounces and measured 20 inches long.

THANKS ...

... From Judy Powell (Physical Education) to the campus community “for all the care, concern and donated time” following her car accident five months ago. She returned to work Nov. 30.

COMMUNITY SERVICE

On Nov. 14 Les Kong (Library) spoke at the California Library Association Annual Conference in Long Beach on mentoring programs. Kong is secretary-treasurer of the California Academic and Research Librarians (CARL), and is the 1993 incoming chair for the CSU Librarians, an interest group of CARL.

Dr. James Rupp (Extended Education) was selected as the president-elect of the English as a Second Language Assembly at a recent meeting of the National Council of Teachers of English in Louisville, Ky.

This past October, Beverly Smith, business services director (Foundation), was chosen as vice president of the Board of Directors for the West San Bernardino County Water District. In November, Smith was elected as vice president for the Board of Directors of the San Bernardino County District Association.

4/40 COMIN’ BACK

If last summer you didn’t mind working 10 hours a day, four days a week, and could pretty well handle those nice, long three-day weekends, sit tight—the 4/40 work schedule is on its way. On the other hand, if you found such a schedule downright annoying, well, relax. It’s only temporary.

From June 14 through Sept. 3, all university employees (including auxiliary employees) will again be working in their offices from 7 a.m.-5:30 p.m. The work hours coincide with the delivery of air conditioning provided by the central plant. The campus will be closed from Thursday evening through Monday morning. No heating (not that anyone would want it in the dead of summer) or air conditioning will be provided during that time.

During the July 4 week, 4/40 detractors will get a break. Employ­ees will work only a 32-hour week as compensation for the holiday.
